Dividend rates and annual percentage yield (APY) are subject to change without prior notice. Money Market dividends are paid on the last day of the month and are calculated using the daily balance method. If your balance falls below \$2,500.00, but above \$100.00, you will earn our Regular Share Account dividend rate. If your balance falls below \$100.00, no dividends will be earned. Fees may reduce earnings. An opening deposit of \$2,500.00 is required.
